How do I add information about Wards?

Steps	Results
<p>This sort of information is not Property based.</p> <p>This scenario performs a Point in Polygon Spatial Search.</p> <p>In our example all that is showing is the Census Code for the Ward.</p> <p>Now we will perform the steps to show Councilor information together with photographs.</p>	<p>Council & Democracy</p> <p>Council Tax</p> <p>Amount: 379.78 BAND: H Who: Elmbridge Council Amount: 342.54 BAND: H Who: Surrey Police Amount: 2019.24 BAND: H Who: Surrey County Council</p> <p>Wards</p> <p>CENSUS CODE 43UBGX</p>
<p>First we need to add a Connection to the Councillors database in Data Share.</p>	
<p>Then you need to define the fields that you wish to use.</p> <p>In this instance the link to the photos are in the html field.</p>	
<p>Next you need to create a Your Councillor layer for the My House page.</p> <p>To enable the use of the fields in Data Share you need to click on the Data Share button.</p>	

Add the link to the **Councillors** DataShare datasource.

Now you can see that the extra fields are displayed in the **Available fields**.

Select the **html** field for use by clicking on it in the left hand box and clicking the **blue** →.

Now select the **html** field in the right hand box and check the entry to **Display this field**.

Here you can see the **Census** information with the Photos and the heading **html**.

Let's change the heading and remove the census information.

Remove **CENSUS_CODE** from the list and uncheck the **Display this field**

The above change affects the output as shown:

Now let's add a heading of **Your Councillors**

	
<p>Here is the new page.</p>	<p>Your Councillors</p> <p> Dearlow, Glenn Copperfield Beechwood Avenue Westridge Surrey KT13 9TE Tel: 01832 Email: gldearlow@westridge.gov.uk Ward: Westridge South Party: Conservative</p> <p> Deatsworth, Simon 37 Churchill Drive Westridge KT13 9HE Email: sddeatsworth@westridge.gov.uk Ward: Westridge South Party: Conservative</p>
